**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

You must understand that free enterprise has to be protected. You cannot justify damaging small businesses regardless of how many payoffs you have received from at&t, Verizon, cable companies, etc. They make billions and they are jealous of growing competition. And so what if that makes them have to improve their lousy services?

Please, think about what is right. Do the right thing.
